About GPC

GPC Medical Ltd., founded in 2001, operates globally and is committed to developing, manufacturing and marketing quality **Medical & Hospital Supplies** all over the globe extending **across 110 countries**. Our innovative approach, personalized service, and impressive growth rate over the experience of **21 years** in the business have made us one of the **fastest growing medical companies in India**.

Our products are manufactured in compliance with international quality standards like CE, ISO 9001, ISO 13485, MD SAP, WHO-GMP & US FDA 510 (k).

We at **GPC Medical** strive to create a deeper sense of community with each other by working closely with major causes and organizations. As such, we have implemented projects through UNICEF (United Nations International emergency Funds), UN (United Nations), Ministry of Health & Ministry of Defense of various countries.

Strength

Quality Policy & Vision

The GPC Quality Policy is summed up as follows: "The world expects results. Don't tell others about the labour pains. Show them the baby!" Thus we, at GPC, do not brag about the quality of our products, but manufacture and sell practical and tested QUALITY MERCHANDISE. We never forget that "an ounce of performance is worth pounds of promises". We, at GPC, always seek to achieve the standards, expected of the best organizations in the world.

Thus following are some of the Quality Certificates, possessed by us:

- CE
- ISO 9001
- ISO 13485:2016
- WHO-GMP
- MD SAP

Vision

To keep the prices of our quality products at affordable levels for the end users.

To continue planning, in advance, to raise the level of our services in future.

To be innovative constantly.

To win the confidence of our clients based on mutual trust & higher business ethics.
